Willie, You'd better check the family trees on Ancestry.com as you Willie Lee Ham have two family trees; one with Zalmon Fenton and one with Alice Elnetta Fenton daughter of Zalmon. If you send me your e mail I can explain more. Something doesnt make sense here.

Dear Jill, I have no idea how the tree I am working on managed to get out for everyone to see, but I suppose I will have to pull my tree off somehow & change names. Anyway, if I can help you I will be happy too. The only problem is I can't remember a Fenton. What other names are connected to the Fenton's. The Willie in the family is me. My name is Willielee and my sister's name is Maryalice. My grandmother was Dora Alice, but she went by Dora. I have been working on so many families right now that it is hard to remember who is who. If you're not my cousin it will be my lose for you sound great. Give me a clue of a couple of dates and names. Thanks, Willielee (Oh by the way I am female)
